WATER SPRITE® and WATER SPRITE® PLUS
Amazing Proven Synthetic

Absorbs dirt and grime away from the surface leaving it clean and dry. It is not affected by mildew, bacteria or common household chemicals. S.M Arnold's WATERSPRITE® is an exclusive proven synthetic material than gently cleans and dries fine finished surfaces. It is used in place of a chamois or sponge, and when wet can be used immediately upon removal from its package. Its thirsty fibers leave surfaces sparkling clean and dry. WATER SPRITE PLUS® is individually packaged in a permanent plastic tube for convenient storage, moist or dry, in glove compartment or trunk.

HOW TO BUILD A PART NUMBER

Select a style code number and add a color code number.

For example:

R-420 (Style code for 1/4" x 150' Solid Tape) + **08** (color code for white) = **R-420 08** (complete part number)
